Well. The artwork is okay. ( u0361u00b0 u035cu0296 u0361u00b0) BUT, everything else is not. -Achievement 14-38 NOT WORKING (You need to go through all CC Artworks to unlock them) -Clicks don't register sometimes -Sometimes a "puzzle" is broken and you can't clear it.. pokoknya ini game.NGENTOTT. This game is impressive to me,because the girls are so kawaii.. The artwork and ASMR are really nice.. Seek girl? More like disappointment waifu finding simulator. Gameplay feels like your trying to watch hentai on a dialup connection.
